

OUR LEARNING PLAN

ACORNS CLASS

LITERACY

Our Talk for Writing texts this term will be 'We're going on a Bear Hunt' by and 'The Enormous Turnip'. We will also be exploring if all stories have a 'happy ever after', learning about what makes a good story and answering questions like 'do you believe in magic?'

MATHS

We will be learning to match, sort and compare. Identifying sorting techniques and creating sorting rules. We will begin to learn about different types of measurement and patterns. We will also learn a deeper understanding of numbers to 5 and 2D shapes.

COMMUNICATION AND LANGUAGE

This will be weaved into everything we do. We promote and encourage the use of language through play and explicitly teach new and interesting vocabulary.

UNDERSTANDING THE WORLD

Who lives at the North Pole? - we will be finding out where we are in the world and where the North and South poles are. We will be finding out all about different types of animals and if penguins and polar bears live together.

CONTINUOUS PROVISION

Our well-planned continuous provision covers all 7 areas of learning. We take a curiosity approach to learning. We encourage children to learn through imaginative play and scaffold learning through higher level questioning.

UNDERSTANDING THE WORLD

Who am I? - we will be learning about what makes us unique, and look at similarities and differences between us and our peers and also our families. We will learn more about our class family and also different jobs our family has.

PE

In our PE sessions this term we will be exploring different ways of playing with equipment. Pupils will be using their imagination as they explore using different pieces of equipment on their own and with their partner safely.

PSED

Our questions are 'what do I need to know to succeed at my new school?' where we will look at rules and routines, why they are there and what they look like. The other one is 'What makes a good friend?' where we will look at the way we treat each other and feelings we may have to each other.
