

OUR LEARNING PLAN

CHESTNUT CLASS

LITERACY

This term we will study the book 'Coghart' by Peter Bunzi.

We will be developing our understanding of these text types - Biography, Poem, Diary and a Persuasive Advert

MATHS

We will be increasing our understanding of Fractions, Decimals and Percentages, along with Area, Perimeter and Volume.

We will continue to develop our Arithmetic skills too!

SCIENCE

We have two big questions to answer this term: 'Does light only travel in straight lines?' and 'If electricity is so dangerous should we still use it?'

ART/DT

In our Artwork we will be comparing the modern style of Art with the more traditional style of the past. In D.T. our focus will be on torches and wondering why they are different shapes and sizes?

LANGUAGES

We will continue to develop both our spoken and written knowledge of the Spanish language this term - focusing on the topic: Sports - Likes and dislikes

HISTORY

We will be looking in-depth at the Victorian era of British History this term. Our main focus will be to find out - What was the Victorians greatest legacy?

COMPUTING

In our Computing work we will concentrate on how we can commemorate the life of a significant Victorian using an Animated Google Logo

MUSIC

In Music we will participate in our whole class music tuition lessons developing our technique to play the violin as we build up our confidence to perform in front of an audience

PE

OUR PE DAY IS MONDAY

In our PE lessons we will continue to increase our skills in playing team ball games by focusing on Basketball and then Hockey

PSHE

For the first half term - we will consider if being strong is the same as being healthy? and then we will be answering the question - Can you invent the perfect friend?

RE

This term we only have one question to answer and that is - If there is a God why do bad things happen to people? This will really make us think!

HOMEWORK - WEEKLY SPELLINGS, READING AT HOME AND ONE PIECE OF BOTH LITERACY AND MATHS PER WEEK
