

The Borders Partnership of Schools
**Barnby & North Cove and Glebeland
Primary Schools**

Academy Head: *Mrs Louise Scott*. Email: head@bordersprimary.org

17th September, 2021

Dear Parents/Carers, extended family members,

The PTA is looking for volunteers to support a few areas of the school. It is lovely to be able to say that volunteers will once again be able to be on school premises and be working together to make some great things happen. The details are below;

Gardening Group

Ideally looking for a group of volunteers who would be able to physically help maintain front and back gardens, pots, keep bird feeders topped up, weed & water plants among other things. People with knowledge of planting/ seasonal vegetables/ flowers & plants would be excellent as we would like to be more focused to help classes know what to plant at what times of the year, when to prune, replace etc. This will be a very important part of the school and we hope to be able to create some exciting natural areas and care for already established plants. If you feel you would like to be part of this, that would be wonderful.

Craft Group

If anyone enjoys art & craft & would like to join the craft group that would be lovely. We love to make decorations that we can re-use at events and try to make themed cut outs, bunting, wall art and are always open to ideas especially those we can do at home and with recycled materials. We are also partial to a bit of glitter! Anything made is done at home & brought in for events. If anyone has any time (no matter how small) and enjoys making things, we would be very pleased to have you join the group.

These groups will hopefully become regular and established groups that will be a big part of what we do to support the school. If you would like to volunteer or have some more information, please email the pta on the address below or contact one of the pta members directly.

Painting Buildings in Playground

We are also looking for volunteers to paint the wooden sheds, concrete storage building & stain the pirate ship in the playground. This is part of our next step to work on the playground area. We would really like to get this done as soon as possible before the weather changes. This will be a one off job but one that we are unable to do without some extra help. If anyone can spare any time to help with this, it would be greatly appreciated to give us a head start to another area for the children to enjoy.

Thank you for the continued support,

The PTA Team
