Dear Families

The current COVID-19 situation has been reviewed and we have received no further reports of suspected cases in our school.

One of the reported suspected cases received a negative result which means there were 2 positive PCRs and 1 positive LFT. All pupils have been isolating as per the guidance.

The bubble will remain in place as we monitor into next week but I am confident that if no further cases are reported, we will be able to return back to a normal routine soon.

Kind regards,
Mrs Scott
