Dear Families

I have completed the weekly review of the current Covid-19 related measures at Barnby & North Cove.

We currently have no cases of Covid-19 (suspected or confirmed) amongst our pupils or staff. I can therefore confirm that as of Monday the school will no longer require the enhanced measures put in place for the past two weeks and Chestnut class will no longer be in a bubble.

Unfortunately, we are still living in a pandemic and whilst we hope that it will not be necessary to put additional measures in place again, we will take the necessary actions should it be required in the future.

We will be continuing with our enhanced cleaning, hand-hygiene and CO2 monitoring and ventilation practices.

In the meantime, thank you for your understanding and support whilst a few of members of our school community have been unwell.

Kind regards,

Mrs Scott
