Dear Parent/Carer

Suffolk County Council is pleased to confirm a discretionary grant is available to support low-income families over the February half term holiday. The grant will be ordered by your child(ren)'s school and will be issued as a £15 Edenred supermarket voucher for each eligible child. The grant is to help families with their essential living costs during the half term.

Please note that this grant will be issued to you via the email address that the school holds for you, so please ensure that this address is up to date.

The voucher must be spent before the expiry date, as failure to redeem by that date will mean you cannot be reissued and you will lose the grant.

We hope that this discretionary grant goes some way to help in supporting your family during the February half term, whether buying food or freeing up some income to go towards energy and water bills or other essential living costs.

The Suffolk Advice and Support Service operates a helpline offering free professional advice in confidence on a range of topics, such as debts, access to food and one-off grants to purchase essential items (0800 068 313). Yours faithfully

Suffolk County Council
