

# Willow class Autumn Term 2023

## Geography

Our adventures will take us around Europe with particular attention to Greece. How does the U.K compare to Greece? By studying the physical and human features of these areas we will compare the two and develop our geographical skills.

## R.E

In R.E we will be thinking about where Christian beliefs come from, by considering the sources of these beliefs; Bible, creeds, laws and stories. We will also discuss the meaning of truth.

## P.S.H.E

We will discuss differences and celebrate our unique qualities. We will also discuss how to be me in my world.

## Art

By practicing our drawing and sculpture skills, we will study the works of Vincent Van Gough and Richard Long.

## History

Our historians will be stepping back in time to ancient Greece. We will study the life and achievements of influential people and how they play a part in the Western World. We will discover how debate and democracy developed.

## Computing

We will be learning about E-safety, ensuring we can stay safe whilst using the internet and apps. We will also be looking at how to research information for our topics.

## Languages

We will be learning important phrases and vocabulary. We will practice our verbal pronunciation through conversations.

## Science

Our scientists will be discovering sound and how it is made in physics and investigating living things and their habitats in biology. We will discuss what living things need to stay alive and how they are adapted to their habitats. Along the way, we will discover the role of significant people in the science world.

## Music

We will be learning to play the flute, and exploring a variety of music styles. We will develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from memory.

## Literacy

We will be learning about different text types. We will study how to write to entertain including writing a warning tale and poetry. For our non-fiction study, we will look at how to write to inform such as instructions and procedures.

## P.E

Our sports stars will be challenging their team playing skills with netball games and developing their flexibility and balance in gymnastics.

## Maths

We will be looking closer at numbers by thinking about place value and developing our understanding of numbers up to 1,000. We will then develop our skills in addition and subtraction, moving on to multiplication and division. Our focus will be on the 2,3,4,8 times tables.

Global theme: Social Justice and Equity and Peace and Conflict. Focus: The power of debate and activism.

- Learn how social justice and equity were viewed and addressed in ancient Greece.
- Learn that debate was used as a tool by the poorer groups in society to dispute their living conditions.
- Learn about the concept of activism and protests and their role in modern society
- Compare the UK and Greece and make connections between features
- Learn about the legacy of Ancient Greeks have had on the modern world e.g. democracy, class, protests, debates
- Learn about the uprising of the poorer social classes led to the weakening of the Greek Empire.
